HOTEL ALPENROCK NAMED NO. 3 HOTEL IN COLORADO IN CONDÉ NAST TRAVELER'S 2026 READERS' CHOICE AWARDS

Hotel Alpenrock earns top ranking in Breckenridge and climbs 11 spots statewide in its second consecutive year of recognition

BRECKENRIDGE, Colo. – Oct. 6, 2026 – *Condé Nast Traveler* today announced the results of its annual Readers' Choice Awards, with Hotel Alpenrock recognized as the No. 3 hotel in Colorado and the top-ranked hotel in Breckenridge.

The recognition marks Hotel Alpenrock's second consecutive appearance in the Readers' Choice Awards. The hotel debuted at No. 14 in Colorado in 2025, its first year of operation, before climbing 11 spots to No. 3 in 2026.

"We opened Hotel Alpenrock with the goal of creating an experience that feels elevated and distinctly connected to Breckenridge and the outdoors, from our design and dining to the way we help guests experience the mountains," said Chase Banachowski, Director of Marketing of Hotel Alpenrock. "To once again be named the top hotel in Breckenridge and No. 3 in the state of Colorado is an incredible honor."

Condé Nast Traveler received more than 798,867 survey responses from readers across the United States rating their travel experiences across the globe to offer a comprehensive look at the places they eagerly anticipate revisiting. The Readers' Choice Awards, with their unparalleled legacy as the travel industry's longest-running and most prestigious accolades from readers, remain a symbol and acknowledgment of excellence within the travel sector. The full list of winners can be found here.

Located at the base of Peak 9 and a short walk from Breckenridge's historic Main Street, Hotel Alpenrock opened in January 2025. The 205-room property, including 24 suites, pairs mountain-modern design with details inspired by Breckenridge's landscape, history and culture. A two-story lobby with floor-to-ceiling windows showcases sweeping mountain views, while reception desks shaped to resemble granite boulders, gondola-inspired lighting, handcrafted furnishings and carpets inspired by topographical maps of the surrounding peaks connect the hotel to its Rocky Mountain setting.

Beyond accommodations, Hotel Alpenrock offers daily activities curated by an onsite experience concierge, ranging from guided tours of the property's contemporary art collection to après-ski tastings and fireside s'mores. Families can also experience the

Magic Moose kids' program, which brings storytelling and creative activities into the stay.

The hotel is home to three distinct dining and cocktail experiences: Edwin, a mountain-inspired Italian restaurant featuring handcrafted pasta, open-fire cooking and dishes designed for sharing; The Carter, the hotel's lively lobby restaurant and bar; and Canary, an intimate speakeasy offering handcrafted cocktails. A ski valet, onsite ski and snowboard rentals, outdoor hot tubs and a fitness center make it easy for guests to transition between time on the mountain and at the hotel.

The 2026 Readers' Choice Awards are published on *Condé Nast Traveler's* website at cntraveler.com/rca and celebrated in the November issue.
